230 Minutes: The minutes of the meeting held on 14th January 2010 were approved and signed by the chairman.

231 Police Report: The Community Police Officer had sent a report, which referred to the theft of batteries from farms and requested farmers to have them marked with “smartwater” so that, if stolen, they could be identified. Items were also noted from the Penrith Rural Team newsletter, including the speed checks being undertaken in Langwathby. Members hoped these could be concentrated on periods of high motorcycle activity.

232 Housing Needs Survey: Jayne Potts from Cumbria Rural Housing Trust explained the housing needs survey that the Trust would be carrying out on behalf of Eden District Council and offered to include a small questionnaire for the Parish Council, if that was desired. The Council agreed to study the proposed housing needs questionnaire before the next meeting and to decide whether to add any questions of its own.

233 The Pinfold, Edenhall: The Council noted that Mr S.Harrington was no longer able to maintain the Pinfold and agreed to grant a Licence to J.Burrell and C.Peck to use the Pinfold for a small vegetable garden at the nominal rent of £1 per annum. The Clerk was authorized to conclude the Licence with the Licensees.

234 Langwathby Car Park: The Clerk reported the willingness of the Probation Service to arrange for the refurbishment of the post and chain fence between the village green and the car park. Members agreed to proceed accordingly and authorized procurement of the necessary materials. The delay in re-registering the car park land in the name of the Parish Council was regretted and Members agreed to complain to Cartmell Shepherds, Solicitors, at the lack of communication. The Clerk was asked to arrange for a new sign to replace the one that was broken.

235 The Big Tidy Up: The Council decided to write to Langwathby School to see if senior pupils would be interested in helping with a litter clear-up under adult supervision.

236 Property Inspections: Reports were received following inspections made by councillors of Parish Council property and equipment in Langwathby, to highlight any safety or maintenance issues. It was agreed to arrange redecoration of Langwathby bus shelter in the spring and to paint the goal posts on the village green. Mr D.H.Banks agreed to clean the limestone tablet on the war memorial and Mr G.C.Little and Mr J.M.Holliday agreed to relocate the seat near Hope’s Garage to a more suitable position. Mr S.J.Peet and Mr J.M.Holliday were asked to obtain quotes for repairs to the tennis court fence. The Edenhall councillors will arrange a similar inspection before the next meeting.
