Identification of Vulnerable Groups within the Community

Namely:- The elderly and frail, those pregnant and or with very young infants, the infirmed or those with special needs.

Action :- Parish Councillors are asked to make themselves aware of all such persons in their immediate locality and to alert the emergency services and other appropriate bodies in the event of an emergency. It shall be policy to encourage a 'Good Neighbour' attitude at all times.

Revision of this Emergency Plan

This plan shall be revised and updated at the January meeting of the Parish Council each year.

Possible Emergencies.

Potential Hazard	Who is at Risk	Risk Rating	Action to be taken	Responsibilities
Mains electricity failure in bad weather conditions	Vulnerable Groups	M	Key vulnerable persons to be visited and checked if in need. Alert Electricity North West	Councillors along with delegated assistance.
